All of our children placed at EBBH are under the age of 5 years, they have been found to be in need of care and protection and have been either abandoned, orphaned, abused or neglected, placed by court order. We also have children that are HIV positive and are on ARV's as well as children that are on TB treatment. We have a wonderful supportive diverse staff network that caters to every need of the children which consists of nursing staff, child care workers, kitchen staff, laundry staff, drivers, grounds keepers, social workers and administration staff. Thank you for showing your love, care, support and interest towards our home
